Re: Your visit to University of Ljubljana

Dear Prof. [REDACTED]

I am pleased to invite you as Visiting Professor at the Institute for Structural Engineering, Earthquake Engineering Construction IT (IKPIR), Faculty of Civil and Geodetic Engineering, University of Ljubljana, from September 15th to September 20st 2014, in the framework of the Erasmus teaching program - Academic Year 2013/2014.

Our Institute will take advantage from your visit thanks to your activities, which will consist of:

- a) lectures for PhD students of the doctoral school of Civil Engineering for a total amount of [REDACTED] 8 hours *me*
- b) discussing the possibility of setting up future joint projects on Lifeline and/or and Industrial Projects;
- c) exchange of information about on-going research projects at KOERI and University of Ljubljana and student exchange programs.

IKPIR, which is a part of the Faculty of Civil and Geodetic Engineering will support your teaching and research activities by giving you a proper space and all necessary facilities in order to make your stay as fruitful and comfortable as possible.

Should you have any questions, please do not hesitate to contact Prof. [REDACTED].

Looking forward to meet you in Ljubljana,

Yours sincerely,

[REDACTED]
Professor [REDACTED]
Head of the Institute
